

SECTION 2

GENERAL

2.7 CONDUCT ON FAIRBANKS INTERNATIONAL AIRPORT PROPERTY

(rev. 8/2017)

The following provides written instruction on the required conduct on all Fairbanks International Airport (FAI) property under the authority of the Executive Branch and to all persons entering in or on such property. State owned airport facilities and properties are defined as state owned and state leased.

Procedure

Prohibited activities: All persons entering in or on FAI property are prohibited from:

- Loitering
- Exhibiting disorderly conduct,
- Creating loud or unusual noises,
- Conduct that represents a general nuisance,
- Abandonment or dumping of unauthorized materials
- Unreasonable obstructing entrances, foyers, lobbies, corridors, offices, elevators, stairways, or parking lots:
- Otherwise impeding or disrupting the performance of official duties by State employees;
- or
- Prevents the general public from obtaining the services on airport property, or
- Poses a safety hazard.

Smoking

Per AS 18.35.300, all persons entering in or on FAI property are prohibited from smoking except in designated smoking areas. All persons are prohibited from smoking in the FAI terminal building and on the FAI concourse except in the designated smoking area.

Alcoholic Beverages and Controlled Substances

No person may possess or consume open containers of alcoholic beverages or intoxicating liquor while in the Fairbanks International Airport terminal building, associated parking areas, pedestrian byways, or terminal concourse, except in accordance with Alaska Statute Title 4 licensed premises within the FAI terminal building or associated aircraft.

In accordance with the Drug Free Workplace Act of 1988, State of Alaska offices constitute a drug free workplace. It is unlawful for any employee to manufacture, distribute, dispense, possess or use controlled substances or alcohol in the workplace or on state property during work hours.

Posting and Distributing Materials

All persons entering in or on FAI property are prohibited from:

- Posting or affixing materials, such as pamphlets, handbills, or flyers, on bulletin boards or elsewhere, except as authorized by the Airport Manager.
- Distributing materials, such as pamphlets, handbills, or flyers, unless conducted as part of an authorized State activity.

Individuals wishing to participate in First Amendment activities and associated permitting on FAI property should reference FAI Operational Order 2.2.

Dogs and Other Animals

FAI is pet friendly. Animals are allowed in the terminal for activities related to the airport, engaged in airline travel, or for authorized official purposes. All animals must be under immediate control, restrained (leashed) and shall not pose a safety hazard. FAI reserves the right to remove or request any animal to be removed from FAI property. Service dogs or other guide animals used to assist the disabled are allowed in FAI buildings. Any animal waste shall be disposed of immediately by the person in control of the animal that produced it.

Vehicular and Pedestrian Traffic

All vehicle drivers entering or while on FAI property:

- Must drive in a careful and safe manner at all times;
- Must comply with the signals and direction of law enforcement officers or other authorized individuals;
- Must comply with all posted traffic signals;
- Must comply with any additional posted traffic and parking directives and policies;
- Are prohibited from blocking entrances, driveways, walks, loading platforms or fire hydrants;
- Are prohibited from parking on State property without a permit if required in the designated Area.

Parking without authority, parking in unauthorized locations or in locations reserved for other persons, or parking contrary to the direction of the posted signs is prohibited. Vehicles parked in violation are subject to ticketing and/or removal at the owner's expense.

Explosives

No persons entering or while on FAI property may carry or possess explosives (real or simulated), items intended to be used to fabricate an explosive or incendiary device, either openly or concealed except at the direction of FAI. In accordance with 17 AAC 42.070, this includes fireworks as defined in AS 18.72.100.

Unattended Children

The State is dedicated to providing an environment that encourages the public to visit our facilities and make use of our materials, programs, and services. Building Security and State employees are available to provide assistance; however, the State is not responsible for children who are left unattended in State libraries, museums, lobbies, atriums, plazas, garages, parking lots, etc. Parents, guardians, or other responsible caregivers are solely responsible for the safety

and behavior of their children while on State premises. Children, like all building visitors, are expected to conduct themselves in an appropriate manner.

"Unattended children" are children of any age who are not in the immediate company of a parent, guardian and/or responsible caregiver.

FAI Float pond and immediate land area

Use of the FAI float pond is restricted to the takeoff, landing and taxiing of aircraft only. Watercraft use is prohibited except for emergency or official airport use. Fishing in any lake, pond or waterway within the FAI Air Operations Area is prohibited.

FAI "Dike Road" area

The FAI "Dike road" area is defined as follows: that area of FAI property generally bounded by South University Avenue and South Airport Industrial Road to the north, the Chena River to the west, the Tanana River to the south, and a diagonal line running from the southwestern end of dike finger G northeast to the Mitchell Expressway. The FAI "Dike road" area includes the associated Tanana River dike and other unpaved roads, trails, bodies of water and woodlands.

This area is open to the public for recreational use at the discretion of the Airport Manager.

Prohibited activities include:

- Discharge of firearms
- Hunting
- Camping
- Woodcutting
- Littering/Dumping of debris or trash
- Burning of any kind during burn bans.
- Persons burning warming fires during times of authorized burning must ensure that their fires are fully extinguished and the area has been cleaned up of trash left by those persons before vacating the area.

Persons shall use the area in a way that is respectful and considerate of other users to include operating motorized/off road vehicles, watercraft, ATV's or motorcycles in a safe manner at reasonable and prudent speeds for the surfaces.

NOTE: Access and use of the gravel pit and associated lands known at the "Wilder pit" located north of the wooded area between dike fingers D and E is prohibited.

Failure to comply with any part of this Operational Order may result in persons being trespassed, issued a citation under 17 AAC 42.020, or being arrested and/or charged with a crime under applicable Alaska Statute.
